

Charter Schools

Managing Challenges and Becoming Champions

Workshops Provided Upon Request

To schedule a workshop for your charter school, district or county office of education, please contact

Michelle Giacomini, FCMAT Chief Management Analyst
mgiacomini@fcmat.org

For workshops already scheduled, please view the professional development calendar on FCMAT's website at <http://fcmat.org/professional-development>

A four-hour workshop on the processes, requirements, timelines, best practices and other considerations to help charter school petitioners and their potential authorizers establish successful partnerships.

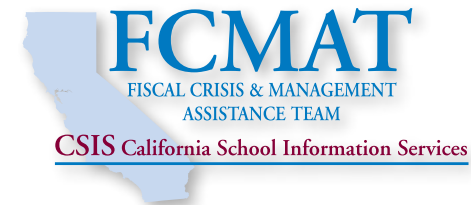

Topics will include the following:

- Preparing for a new charter school petition
- Timelines and requirements for potential authorizers
- Timelines and requirements for charter schools
- Memoranda of understanding
- Charter school oversight
- FCMAT's Charter School Annual Oversight Checklist
- Other best practices

Who should attend?

- Board members, business managers, administrators and others involved in developing, evaluating and/or authorizing a charter school petition.

Presented by

1300 17th Street, City Centre
Bakersfield, CA 93301
