

LOCAL FUNDING FORMULA (LCFF) & ACCOUNTABILITY PLAN (LCAP) CONTROL

M A S T E R I N G T H E B A S I C S

This workshop will provide an overview of the Local Control Funding Formula and the Local Control Accountability Plan. Topics will include:

- Understanding the terms, concepts and relationships in the LCFF and LCAP.
- Completing the LCFF Calculator and reading the results, including evaluation/communication charts and graphs.
- Identifying the factors that affect the LCFF revenue estimates and where the information comes from.
- Generating a locally meaningful LCAP and long-term planning process.
- Understanding and applying the LCAP evaluation rubric.
- Discussion of other LCFF/LCAP topics of current interest.

Workshops Provided Upon Request

To request a workshop for your district, county office of education or charter school, please visit www.fcma.org and click on the "Request our Services" link and then the "Professional Development Projects" button. Or if viewing this document electronically, click here.

For workshops already scheduled, please view the professional development calendar on FCMAT's website at:
