

FCMAT has been working diligently to develop **Projection-Pro**, a new and free online multiyear financial projection software service built from the ground up for California's local education agencies.

Release of **Projection-Pro** is scheduled for August 19, 2019.

Training is being scheduled for the fall of 2019 and will be offered in 11 locations throughout the state.

Workshop dates, locations and registration information will be available soon on the [Professional Development page of FCMAT's website.](#)
