

UNDERSTANDING FISCAL OVERSIGHT

County offices have experienced significant turnover of business office staff who monitor and analyze district budgets and financial transactions. FCMAT will walk county office attendees through the important steps, processes and techniques that are essential to provide successful fiscal oversight to local educational agencies during this full-day workshop.

Topics will include the following:

- Budget adoption
- LCAP approval
- Budget review committee
- Going concern
- Interim reports
- Response and appeal procedures
- Public disclosure requirements
- Annual audit requirements
- AB 1840
- Fiscal Risk Health Analysis (FHRA) - possible assistance
- Fiscal accountability and independence

FCMAT is pleased to offer a workshop at the
